WEEKLY.BAZAAR AT ANJANAPUR.

I have the honour to bring to your kind notice that since 1st week there are about 200 coolies and other workmen that have come down and camped at our workspot and working at the project. The nearest shandy site is at Shikaripur which is about 12 miles from the cooly camp. It is felt a great hardship for the whole lot of coolies to go all the way and carry their weekly purchases from such a long distance, and the necessity for a weekly Bazaar at the workspot is greatly felt by every one. It may kindly be noted that incourse of a week or two this cooly strength will increase t 400 or 500 and in course of a month the official colony will also be formed. Then the necessity for a shandy close by will be felt all the more. It is very necessary to afford this facility to the coolies and to the working hands to make this place in a jungle habitable and thereby attractive; otherwise it will not be possible to keep the labour contented and under control.

I therefore request that you will kindly address the Deputy Commissioner, Shimoga, to arrange immediately for holding a weekly Bazaar at Anjanapur colony.
